WELCOME

Brucefields Family Golf Centre offers a comprehensive range of facilities and support services for all members of the family, whether they're learners or experienced players. The Centre has long been a magnet for experienced players wanting to perfect their skills on our testing 9-hole flagship course, while junior players relish the smaller 9-hole course and the challenges it presents.

The courses are, however, only part of the Brucefields story, for the Centre also offers a floodlit 30-bay driving range and a large American Golf shop stocking all the best-known brands at great prices, plus a new gift section. A state-of-the-art physiotherapy practice ensures you achieve peak physical condition post-injury, and our restaurant features a wide range of menus for golfers of all ages, and holds the Scottish Healthy Choices Award – naturally!
